

Transfer of Title

The team at **Wollongong Conveyancing Services** can effect a transfer of title from owner/proprietor to another, or transfer a share in the property to a third party without the cost and complexity of a normal purchase or sale and minimise the amount of stamp duty (tax) payable.

We can arrange the transfer of title following a relationship split to reflect the property distribution agreed upon by the parties, and on occasions, without the imposition of stamp duty.

What we can do for you: -

- Draw agreements to effect the transfer
- Draw a memorandum of transfer
- Attend to assessment and payment of duty
- Arrange registration of the transfer
